

My World #1

I come from a soldier and a
teacher
From pine trees and sand
I come from swimming and
singing
And hide and seek with daddy
From boo boo and pumpkin
And playing in my park until my
Mama calls me in for supper
I come from North Carolina and
Georgia
From grits and eggs and macaroni
and cheese
And costumes made by my Mama
From "Bless us our Lord" and don't
let the bed bugs bite
I come from Damp's pistucio
glyhco
From stinky feet and laughing
so hard I fall over

I come from clouds on the ceiling 2

From Linda and Chad

And cuddling with my mam

From Amah I'm done!

And Tigee and Maggie and Mae Mae

I come from prayers to Heaven and

sleeping with the moon

From rock-a-baby, baby doll, Rudolph

and God Bless

I come from all of those and

a family that is nice and

loves me.
